Valley Health – Hurricane to Host 2nd Annual Summer Safety Day

HURRICANE, W.Va. – Safety is no accident. Valley Health – Hurricane invites families to learn about prevention at its 2nd Annual Summer Safety Day on Saturday, June 11 from 11 a.m. – 1 p.m.

Families will have the chance to join in a free fun-filled afternoon of activities centered on child safety. Participants can experience the local fire department’s escape simulator and learn about anti-bullying from Batman who will be there with his Batmobile. There will also be free food, drinks, a bouncy house, games and basketball. Every child will receive a prize while supplies last.

Valley Health staff will be available to talk about their services, immunizations, sun safety and the importance of physical activity. Health Insurance Marketplace assisters will also be on site to answer questions about signing up for health insurance.

“The goal of this event is to help educate families on how accidents and injuries can be avoided as well as have fun with the kids,” Dr. Jordan Nash, pediatrician at Valley Health – Hurricane, explained.

The event is free to attend. Valley Health – Hurricane is located at 3729 Teays Valley Road in Hurricane. For more information, call (304) 760-6040 or visit www.valleyhealth.org.

###

Valley Health Systems, Inc. is a network of almost thirty non-profit health centers that has been a Tri-State leader in the delivery of primary healthcare since 1975. Operating in southern West Virginia and southeastern Ohio, Valley Health provides services to nearly 70,000 patients each year.
