HUNTINGTON, W.VA. – Valley Health recently welcomed Rhonda Leffingwell, FNP, to its team of providers at its East Huntington location.

In 2015 Leffingwell received her Master of Science in Nursing from the University of Cincinnati. The following year she worked as an FNP at MedExpress. Her medical areas of interest include management of chronic diseases and health maintenance.

Leffingwell is currently accepting patients of all ages at Valley Health – East Huntington, located at 3377 US Route 60 in Huntington. To schedule an appointment, call (304) 399-3310. Walk-ins are also welcome.

“Due to her previous placements, Ms. Leffingwell is already well-recognized by community members as a provider who cares about her patients,” Steve Shattls, executive director/CEO of Valley Health, said. “We are pleased to welcome her to our team.”

A Huntington native, Leffingwell enjoys singing in her church choir, reading, camping and vacationing with her family.
