### **Valley Health Opens New Pharmacy in Huntington**

**HUNTINGTON, W.Va.** –Valley Health recently opened a pharmacy in its Hal Greer Boulevard location to better serve patients who live in the heart of Huntington.

“One of the reasons my family and I love Valley Health Pharmacy is because of the convenient location,” Elizabeth Meadows, Valley Health patient, explained. “We can see the doctor then pick up the prescriptions all in the same building. No need to stop anywhere else before going home, which makes it super easy with kids.”

The pharmacy accepts most types of insurance and is open to everyone. However, Valley Health patients are eligible to receive deeply discounted prescriptions through its 340B program.

Hours of operation are weekdays, 8:30 a.m. – 7:30 p.m. The pharmacy is located at 1301 Hal Greer Boulevard in Huntington. This is the company’s second pharmacy in Huntington. A pharmacy is expected to be added to Valley Health – Wayne later this year.

Grant dollars funded the addition of a pharmacy to this site as well as a behavioral health suite, which was added in 2015.
