Tammi Lewis, Licensed Professional Counselor, Joins Valley Health

HURRICANE, W.VA. – Tammi Lewis, licensed professional and advanced alcohol and drug counselor, recently joined Valley Health – Hurricane’s team of providers.

Lewis has worked in the field of addiction and mental health in the Charleston area for 25 years. She completed her master’s degree in counseling at Marshall University Graduate College in 1997. She is currently pursuing her doctorate in counseling psychology. She is the past president of the West Virginia Certification Board for Addiction and Prevention Professionals on which she continues to serve as the CEU chair.

Lewis specializes in substance use disorders, women's issues with substance use disorders and trauma, depression, life transitions, pregnancy and substance use, personality disorders, borderline personality, crisis intervention, PTSD, codependency, and substance use evaluations for impaired professionals. She utilizes cognitive behavioral therapy with a holistic approach that allows her to address the patient’s mind, body and spirit.

Lewis is currently accepting new patients, ages 18-65, at Valley Health – Hurricane located at 3729 Teays Valley Rd. To schedule an appointment, call 304-760-6040. Walk-ins are also welcome.

Lewis enjoys running and completed her first half-marathon last year.

For a complete list of Valley Health’s services and locations, visit www.valleyhealth.org or call 304-525-3334.

###

Valley Health Systems, Inc. is a network of almost thirty non-profit health centers that has been a Tri-State leader in the delivery of primary healthcare since 1975. Operating in southern West Virginia and southeastern Ohio, Valley Health provides services to around 60,000 patients each year.
