VALLEY HEALTH APPOINTS NEW BILLING MANAGER

HUNTINGTON, W.Va. – Valley Health is pleased to announce that Dawn Webb has joined its staff in the position of Billing Manager.

Bringing several years of management and billing experience to the role, Webb is responsible for the oversight of accurate patient billing and insurance claim practices across Valley Health's network of 28 primary healthcare centers and public health programs.

"Dawn's leadership skills are exceptional as she is bridging relationships between the health sites and the primary billing office," Steve Shattls, Chief Executive Officer of Valley Health, said.

Webb received a Bachelor's of Science in Healthcare Leadership from Wheeling Jesuit University and is certified in several areas of medical coding.

For more information about Valley Health and the services offered, please call 304-525-3334 or visit www.valleyhealth.org.

###

Valley Health is an integrated network of 28 primary healthcare centers and public health programs in southwestern West Virginia and southern Ohio that serves more than 68,000 patients each year. The Valley Health medical staff includes doctors, dentists, physician assistants, nurse practitioners, nurses and midwives. Valley Health offers services including family practice, internal medicine, pediatrics, OB/GYN, dentistry, psychiatry, pharmacy services, laboratory services, X-rays and ultrasounds.
