**VALLEY HEALTH WELCOMES DR. SCOTT DAVIS TO WAYNE PRACTICE**

*Davis looks forward to giving back to Wayne County*

**WAYNE, W.Va.** – Valley Health announces that Scott Davis, MD, has joined its talented team of professionals at its Wayne location.

Dr. Davis will see patients five days a week at Valley Health – Wayne and is already familiar with local health systems. He completed his residency in family medicine at Marshall University and is qualified to treat patients of all ages. His compassionate bedside manner makes him a great choice for any family.

Dr. Davis, a native of Lavalette, looks forward to returning to Wayne County to establish a long-term medical practice that will allow him to grow with his patients. Valley Health – Wayne welcomes any current patients who would like to continue seeing him at his new location. His enduring commitment to offer quality health care to individuals throughout Wayne County makes him a valuable asset to Valley Health.

“To welcome a physician back to the area, where he can give back to the community in which he grew up, is always exciting,” Steve Shattls, chief executive officer of Valley Health, said.

Dr. Davis joins internal medicine and pediatrics physician, Daniel Whitmore, DO, family medicine physician, David Whitmore, DO, and ob-gyn, Richard Booth, MD, at Valley Health’s newly renovated office at 594 RR Avenue in Wayne. Valley Health will continue to update equipment so that it can better accommodate its patients for a more welcoming experience.

Hours of operation at Valley Health – Wayne are Mondays 8:30 a.m. to 8 p.m. and Tuesday through Friday from 8:30 a.m. to 5 p.m. To schedule an appointment with Dr. Davis, or for more information about Valley Health - Wayne or its services, please call 304-272-5136.

###

Valley Health (VH) is an integrated network of primary health care centers and public health programs in southwestern West Virginia and southern Ohio. The VH medical staff includes doctors, nurses, dentists, physician assistants and midwives. Valley Health centers offer services such as family practice, internal medicine, OB/GYN, dentistry, pharmacy, X-rays and ultrasound. For more information about Valley Health or its services, contact Lanie Masilamani, health care administrator, at 304-525-3334.
