VALLEY HEALTH WELCOMES AMY ALBRECHT MARSTELLER, MD

GUYANDOTTE, W.Va. – Valley Health is pleased to welcome Amy Albrecht Marsteller, MD, to its team of quality providers.

Serving patients at the Valley Health - Carl Johnson health center, Dr. Marsteller will provide family medicine, emphasizing care to women and children. Board certified in family medicine, Dr. Marsteller brings nearly four years of experience to the role as a practicing physician and as an associate professor at the Marshall University Joan C. Edwards School of Medicine.

“We are excited to continue welcoming new physicians like Dr. Marsteller to Valley Health,” Steve Shattls, chief executive officer of Valley Health, said. “We have confidence in the quality and capability of our providers, and we appreciate the strong service they provide our patients and the role they play in our organization’s ongoing growth.”

Dr. Marsteller completed residency in family medicine at Marshall University’s Joan C. Edwards School of Medicine after graduating medical school at Wright State University School of Medicine. She holds memberships to the American Academy of Family Practice as well as the West Virginia Academy of Family Physicians.

Working alongside family practitioner, Zachary Hansen, MD, and OB/GYN, Brian Bower, MD, Dr. Marsteller is now accepting new patients.

Valley Health – Carl Johnson is located at 307 Fifth Ave. in Guyandotte. For more information or to make an appointment, please call 304-529-4734.

###

Valley Health is an integrated network of 28 primary healthcare centers and public health programs in southwestern West Virginia and southern Ohio that serves more than 68,000 patients each year. The Valley Health medical staff includes doctors, dentists, physician assistants, nurse practitioners, nurses and midwives. Valley Health offers services including family practice, internal medicine, pediatrics, OB/GYN, dentistry, psychiatry, pharmacy services, laboratory services, X-rays and ultrasounds.
