VALLEYHEALTH

Services Offered at Valley Health

Valley Health has been caring for our community for over **50 years.** What started with 3 primary care offices has grown to **over 60 locations** offering a wide range of health services. Whether you need a check-up, help managing an illness, or urgent care, Valley Health is ready to help.

Our Services

Valley Health provides care for people of all ages, including:

Primary Care:

- Family medicine
- Pediatrics (care for children)
- Internal medicine
- Obstetrics and gynecology (women's health and pregnancy care)

Additional Services:

- **Pharmacy:** 7 retail pharmacies and pharmacist support for your care team
- **Dental Care:** Exams, cleanings, and treatments
- **Eye Care (Optometry):** Vision checks and glasses
- **Specialty Care:**
  - Ear, nose, and throat (ENT)
  - Coming soon: Cardiology (heart care)

QuickCare (Urgent Care):

- About **12 locations** for walk-in or same-day visits
- Many primary care offices offer **same-day appointments**

Everyone is Welcome

Anyone can be a patient at Valley Health. We serve:

- People with Medicaid, Medicare, or private insurance
- People without insurance

We're here to make sure **everyone** gets care, no matter their income.

VALLEYHEALTH

Services Offered at Valley Health

Help with Costs

We know healthcare can be expensive, so we offer ways to make it more affordable:

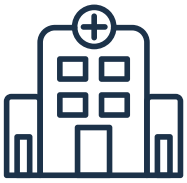
Sliding Fee Discount Program:

- Discounts based on your income and household size
- Can lower the cost of doctor visits, dental care, eye care, and more
- Even patients with insurance may qualify

Affordable Medications (340B Program):

- Many medications offered at lower prices
- Available to all Valley Health patients

Easy Access to Care



- **QuickCare** for same-day and urgent needs
- **Telehealth Visits** (phone or video visits) available
- **MyChart** Our patient portal lets you:
  - View appointments
  - Send messages
  - Check in online

At Valley Health, we believe everyone deserves quality care. Whether you're insured or not, we're here for you.
